Newsletter of the Woodside Heights Neighborhood Association

March, 2012

Mission Statement:

Surrounded by the aesthetic landscape of Baird Creek Parkway and The Woods Golf Club and where pride of ownership is apparent, the Woodside Heights Neighborhood Association seeks to preserve this safe, clean and quiet subdivision that is characteristic of new neighborhoods on Green Bay's far-east side.

The Association will welcome ideas and feedback from its members and maximize their talents and creativity to organize and sponsor family-friendly events. Regular communication (print and/or electronic) will inform members of (but is not limited to) news, issues and general announcements.

Have a Green Thumb?

By now, you have seen the Neighborhood sign that was installed at Sitka and Huron. It looks nice but it could look even better with a little landscaping!

If you are interested in being part of a beautification committee that would be responsible for planting and maintaining the landscaping/garde around the sign, let us know!

It won't be long before planting season is here!

Annual Meeting Re-Cap

The Association's Annual Meeting was held at The Woods on December 8. Guest speakers included Dr. John Luczaj, Associate Professor of Natural and Applied Science at UWGB, who gave a presentation on the geologic history of the area and Green Bay Police Captain Bill Galvin who explained the GBPD's district policing plan and the concealed carry law.

Neighbor, Larry Shefchik, was the lucky winner of a gift basket full of tasty treats!
